

# Athletic Boosters

CAKE AUCTION

February 5<sup>th</sup>, 2016

We welcome you  
To activities for our school  
Your support means a lot  
So please don't boo like a fool

High school kids play this game  
Professionals they are not  
So cheer for them when they're good  
And even if they're not

We're trying to teach some values  
They can use 'till life is done  
In order to learn these values  
They don't have to be #1

Someone is sure to win this game  
The other team will lose  
But if they play with sportsmanship  
Well, they'll have paid their dues

For in athletic contests  
Victory is so sweet  
But there's no loser here tonight  
For losers don't compete

So as you watch them play tonight  
Friendship they're renewing  
Cheer as loud as you wish  
But we'll tolerate no booing.
