New Business

Academy Discussion- NSSC appreciates all the hard work and efforts put in for the fall season. Park View venue worked well for our needs. Dave Schnorrenberg and Eric will speak to the PV park board to check on availability for use this spring.

As a club, we need to explore new coaches for the teams coached by Ahrens- they are relocating. A few other coaches need to be found as well to cover.

Elections in December- Vice President and Registrar are up for elections.

Tryouts for next season- when and where? There will be meetings set up to establish new dates for age levels. Iowa is moving to a new calendar schedule for next beginning in the fall. Will plan for tryouts in June 2016.

Kara met with the Eldridge park board. They seemed excited about it. Henry and Michael will have upcoming interviews to discuss potential future plans.

Club Sportal- online coaching and teaching aid available. Motion made and seconded to accept and apply to Club Sportal.

Hockey night- NSSC has been offered an opportunity to be a part of the Mallards for a night this season. More information to come.

US Soccer F license- U9 and below has an online course available for \$25.

Team Snap- online information for teams/parents. Individual teams can sign up for Team Snap.
