New Business:

- A representative from Park View's Park Board was present. There is a website (www.localendar.com/public/PVparkboard) where coaches can reserve fields in Park View. If Dad's Club want to practice on the fields they are allowed, NSSC does not have exclusive rights to the fields. Park View is offering use of the fields, including baseball fields for 3v3 tournaments. They will provide concession stands.
- **Academy discussion:** The Park View double diamonds- Ryan walked the fields and measured, there is plenty of space for 6 small fields and parents to watch. The proposal is to have 2 sessions and accommodate approx. 40 kids per session. The Academy planning committee met and set dates for Academy. Michael has formulated a referee plan. Michael and Dion will work with the HS kids to ref, U13 and U14 kids can sign up to referee. Sign up will be on the website. Aug 15th at 9am at the Eldridge Library is a Mandatory Referee clinic.
- **ILLOWA-** U12 and up, playing 11v11, have registration Aug 15th.
