Registrar's Report (Rachel)

- Team rosters- Not all kids are registered yet and not all players have cards due to changes at the state level. Rachel is working to get this rectified. New coaches need to get pictures to Rachel along with disclosures.
- Every coach needs to complete the concussion course on line.

New Business (Henry)

- Academy discussion – Field location, dates, and format. Planning on a 3v3 festival style with 2 sessions weekly. We will begin Sept 10th and continue through Oct 22nd (tentatively) There is a conflict in Park View on Sept 24th. Potential changes to structure has been proposed to allow stronger players play against other strong players to allow less division of skill.
- Coaching for new teams and existing teams confirmed. A U8 team will have a couple of parents help. We can have an ADOC help parents a bit to get going.
- Academy training of referees- when, where, who provides training. Ryan will be sending out email regarding training.
- Discussion with coaching by Paul Rucker- Paul gave a great talk about his coaching philosophy and how building relationships with players build stronger teams. He encouraged coaches to choose a “skill of the day” to work on during practice. If a drill is not working, start over and do something else. Respect is key to success.
- Michael Harrington stressed to coaches to work with multisport athletes.
- Present new coaches with coaching information created by Michael-

- Club Sportal presentation? Club sportal is available for coaching tips and techniques.
- Uniforms- Bill reminded coaches/parents that if you did not get a specific email that parents can go directly to soccer.com and order uniforms. It can take 2 weeks to get the uniforms so hopefully all have been ordered.
