New Business (Henry)

- Academy discussion- prepping fields the night before, having someone there to check in and manage clock. High school coaches need adult present, encourage parents and coaches to be involved in the academy process.
 - *1st weekend went well. Ryan has done a great job with ref clinic. Ryan and Mark striped the fields the night before. Nick Urbain's team is scheduled to stripe this coming week. Coaches are to have parents/teams lined up to strip the fields each week. We want as many to help as possible. Each team is to take a Friday night. Ryan is sending out a schedule for striping. Striping takes place Friday night around 5pm, it takes about 20-30 minutes if there are 2 people. Contact Eric Schroeder to set up a time 563-340-3931. Coaches need to help sign in kids and place numbers on the kids. Need someone each week to run the clock and sound the horn. U6-U7 games are 11 minutes, U8 games are 14 minutes. All the refs are scheduled- we need a parent to keep the ref sign in sheet to make sure Kara gets the form and the kids/refs get paid. We will need to groups of volunteers to sign in kids and numbers, plus the clock and horn, ref sign in sheets (one for each session). Kids need to be arriving no later than 15 minutes prior to start, no kids will be taking late as this throws off the game schedule. A ref can re-design teams if obviously off-sided.
- Need to explore new coach for U12 boys team coached by Rheingans – Need someone in the Spring. Let us know if you know someone.
- Homecoming parade September 29- We will participate. We are requiring 1 parent per 4 kids. We will meet at the Administration building to walk the parade route. Banners are welcome again for each team. Teams are responsible for supplying their own candy. NO THROWING CANDY..... the kids have to hand it out or gently put on ground. Establish a meeting place after the parade, it is suggested to use the Jr. High parking lot.
