| Josh Faust | U10 Girls Coach |
| Andrea Gutierrez | U15 Girls Mgr |
| Ricardo Guitierrez | U15 Girls |
| Eric Mohr | U8 Girls |
| Angela Mohr | U8 Girls |

You will find, for the Fall 2017/Spring 2018 season, some kids (many kids) moving back to age appropriate level. From a team formation standpoint, the club HAS to work from the top down to make sure each age group has enough kids to form teams and compete at their age level. Often times, younger teams get short players, this year was no different and some kids are rostered back to their age category.

Kids moving back down, was NOT determined because of ability (or inability), but because it was absolutely necessary to ensure the team below (the 'below team' from the one they played UP from the previous season) has enough kids to play and form a team. i.e. Steve played for U14, but is a really a true U13 kid, will move back to play with the age appropriate team.

The board realizes this may NOT be a popular change, but the choice is being limited by numbers. These kids can STILL play up if the need arises for that team to fill in (due to illness, baseball conflicts, etc) but will roster with their age.

Preliminary rosters, subject to change for considered hardship or unforeseen circumstances. The club is excited to move forward with the new changes and appreciate the patience of all members as we smooth out any potholes along the way. Thank you!

6pm - 7pm Boys team formations

7pm - 8pm Girls team formations

New Business (Kara) - Team Snap

- Moving along nicely with Team Snap. Club is embracing the new, automated, way of registering kids, collecting payments, forming better team organization & communication through the team and club level.

ROSTERS ARE SUBJECT TO CHANGE if unforeseen circumstances arise.

Rosters will be uploaded to Team Snap by Thursday June 29th at 11pm. You should receive your Team Snap email by Friday, June 30th
