New Business (Henry)

- New coaches needed. U9 Girls, U11 Boys, U13 Boys and Academy coaches.
 - Academy parents are encouraged to volunteer for coaching.
- Uniforms – Adidas Tiro is existing jersey top, AdidasTastigo is the short our club uses now. We will need to be purchasing / deciding on a new jersey...as the older Tiro is going out. The replacement Tiro is nearly the exact same, and there would be little difference from the old style to the new style. Any NEW U9 teams (post tryouts) would be ordering the new Tiro jersey, along with any orders that need to be filled as a replacement to current jersey. Price points should be very similar.
- Coaches Shirts – discontinued until further notice
- Elections in December – Open spots are 3 in total
- Academy discussion – need to discuss whether the individuals involved this last season are willing to continue overseeing the academy, scheduling etc. Also, explore whether Parkview is still available.
- Tryouts for next season – when and where is yet to be determined, will target the Jr High School for all tryouts? Future meeting to establish new dates for age levels. Again, tryouts for U11 and up, no tryouts are to be held for U10 and lower, but club forms and entry must be filled out and turned in during the tryout period to ensure children are placed on a roster.
